Invitation to Meet Netherlands' Renewable Energy Trade Mission

The Embassy of the Kingdom of the Netherlands in Slovenia with distinguished partners invites you to the Netherlands-Slovene Business Forum on Renewable Energy, which will take place on Tuesday, 5 September, at 13.00 at the Slovene Chamber of Commerce and Industry in Ljubljana.

The event will present the latest developments in the energy transition of both countries, highlight advancements in solar, biomass and related sectors, and explore business prospects for collaboration of Slovenian and Dutch companies.

The forum will be followed by B2B meetings. Below you can find an overview of the Dutch business delegation.

For more information about the NL-SLO Business Forum, you can contact us at the embassy mail LJU-EA@minbuza.nl.

For matchmaking contact Handelsroute, jessie@handelsroute.nl, and SDBP, partners@sdbp.eu.

To confirm your participation, please register via the link below.
